June 2019

Dear Poly Students and Parents/Guardians:

In preparation for the 2019-2020 school year, we have prepared information that will be beneficial for you and your student. Registration packets contain valuable information regarding policies, dates, and activities for the 2019-2020 school year. This packet contains partial information that needed to be printed, but the complete registration packet is available for you on our home page at https://lbpoly.schoolloop.com. In August, on registration day, your student will receive a folder that will have important information including: Academic Integrity, ASB, Athletics, Attendance, Counseling, Discipline Policies, Schoolloop, Student ID’s, Tardies, etc.

As summer approaches, we are ready to provide comprehensive academic and extracurricular programs for our students. This summer, we will offer summer school as well as Advanced Placement Summer Bridge courses, and Summer Bridge for incoming 9th graders. We are constantly growing in many areas, as there will be multiple school improvement construction projects taking place on campus this summer and in the fall. In addition to that, we will continue to provide our students with opportunities to enhance their 21st Century skills as new technology is being implemented throughout our campus. Also, our athletic programs are getting ready for Moore League/CIF competitions and new teachers are joining our staff.

We continue to provide resources for all of our students. Our Career Center is available to students daily, along with our Activities Office, Care Center, Counseling Office, Parent Center, and Library. Students are encouraged to access resources, ask questions and challenge themselves in and outside of the classroom. There are many opportunities to become involved at Poly and we look forward to seeing you around campus.

Poly is the "Home of Scholars and Champions" and we are very proud of our rich traditions and look forward to educating your daughter/son. We are very excited to begin another GREAT year at Poly High School!

Respectfully,

FINANCIAL AID NIGHT
September 19, 2019 @ 5:30 pm
Auditorium (English FAFSA Session)
Library (Spanish FAFSA Session)
College & Career Center, room 801 (Dream Act Session)

Do you want to get free money to help your student go to college?
Are you unsure how you will be able to pay for education after high school?
Do you need help with your senior’s financial aid paperwork?

The federal government and the State of California have financial aid programs to help families with the cost of education after high school. Poly High School will be hosting a Financial Aid Night where an expert will provide general financial aid information and a step-by-step review of the FAFSA and Dream Act (specifically for undocumented students) applications. Come learn about Cal Grants, Pell Grants, Middle Class Scholarship, loans, work study and much more!

We strongly recommend ALL seniors apply for financial aid, regardless of their family income and/or parent/student citizenship status:

Here is how:
1. Apply for a FSA ID now by going online at https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid; only students and parents with a valid SS# (not DACA or ITIN #) can apply.
3. Both applications will be available on October 1, 2019.

The process and applications are not simple. We want to make sure you fill out your applications correctly and that you have the information you need to make informed decisions about your education in the future.

JOIN US!
Don’t miss this great opportunity!

If you have questions or need additional information, contact Sylvia Womack at swomack@lbschools.net or (562) 591-0581 x5140

¿Desea obtener dinero gratis para ayudar a que su estudiante asista a la universidad?
¿No está seguro(a) de cómo podrá pagar por su educación después de la escuela preparatoria?
¿Necesita ayuda para llenar las solicitudes de ayuda financiera en el 12° grado?

El gobierno federal y el estado de California cuentan con programas de ayuda financiera para ayudar a las familias con el costo de estudios después de la escuela preparatoria. La Escuela Preparatoria Poly llevará a cabo una Noche de Ayuda Financiera en donde un experto brindará información general de ayuda financiera y un repaso, paso a paso, de las solicitudes de FAFSA y de la ley ‘Dream Act’ (específicamente para estudiantes indocumentados). ¡Venga a enterarse de las becas/subvenciones Cal Grant, Pell Grant, y préstamos y oportunidades de trabajo para estudiantes y mucho más!

Recomendamos mucho que TODOS los estudiantes del 12° grado soliciten ayuda financiera, sin importar los ingresos de la familia ni la situación migratoria.

A continuación le mostramos cómo hacerlo:

1. Aplique para la identificación de FSA el al pagina sigente https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid. Solamente estudiantes y padres que tienen numero de seguro social (no aplica numero de DACA o numero de ITIN) pueden aplicar.
3. Ambas solicitudes estarán disponibles el 1 de octubre, 2019.

El proceso y las solicitudes no son simples. Nos queremos asegurar de que las solicitudes se llenen correctamente y que ustedes tengan la información correcta para tomar las mejores decisiones acerca de su educación en el futuro

¡ESPERAMOS CONTAR CON SU PRESENCIA!
¡No se pierda esta gran oportunidad!

**Questions & Answers**

Q: I did not receive an activation letter. How do I get one?
A: A one-time mailing of activation letters was sent out at the beginning of the school year. You should have received the letter in the mail days after they were mailed out. If you still have not received one, please visit the counseling office (rm. 113) and present a picture ID to receive a printed activation letter, or if requested, your student can receive the activation letter in a sealed envelope from the counseling office.

Q: I can't access my account. I'm getting an invalid username or password.
A: On the login page of ParentVue, click on the link "Forget your password?"

Q: I'm getting an error message that states the activation key cannot be found.
A: The first and last name need to be entered in exactly as printed on the activation letter, which may include additional characters like "/" or "&". Once you have activated your account, you will be able to choose your own username and password. If you are still not able to activate your account, please email parentsupport@lbschools.net.

Q: I only see one child on my account. How do I merge all my children into one account?
A: Please visit the school office and request the merge.

Dear Parents/Guardians:

The California Healthy Schools Act, enacted in 2000, is a right-to-know law that provides parents/guardians and staff members with information about pesticide use taking place at public schools and child care centers. The law encourages the adoption of effective, lower risk pest management practices, also known as Integrated Pest Management (IPM).

As part of the Healthy Schools Act, the Long Beach Unified School District will notify all parents/guardians annually in writing of pesticide products that are expected to be applied during the school year.

Parents/Guardians who wish to be notified 72 hours in advance of pesticide application at their school site may register in ParentVUE. To request pesticide notifications for your student please follow these steps:

1. Log in to ParentVUE. If you do not have a ParentVUE account, please contact your school for an activation key.
2. Select the “Student Info” tab.
3. Click on the “Edit Information” button.
4. Select “Yes” to opt in to Pesticide Notifications.
5. Click on “Save Changes.”
6. Repeat these steps for any additional students.

The only exemption to the 72 hour prior notification requirement is a pesticide application necessary to address emergency situations such as bee or wasp swarms.

The Long Beach Unified School District is committed to creating a safe and healthy educational environment for all students, families and staff members.

Sincerely,

Sue Perkins
Integrated Pest Management Coordinator

Queridos Padres de Familia/ Tutores,

La Ley de Escuelas Saludables de California, decretada en el 2000, es una ley de derecho al conocimiento que proporciona información a los padres de familia/tutores y miembros de personal acerca del uso de pesticidas que se lleva a cabo en las escuelas públicas y en los centros de cuidado infantil. La ley alienta la adopción de prácticas de gestión efectivas y de bajo riesgo, también conocida como Gestión Incorporada de Plagas (IPM, por sus siglas en inglés).

Como parte de la Ley de Escuelas Saludables, el distrito escolar unificado de Long Beach notificará a todos los padres de familia/tutores anualmente por escrito de los productos pesticidas que se espera sean aplicados durante el año escolar.

Los padres de familia/tutores que desean ser notificados con 72 horas de anticipación a la aplicación de pesticidas en su plantel escolar pueden registrarse en ParentVUE. Para pedir notificaciones de pesticidas para su alumno por favor siga estos pasos:

1. Ingrese a ParentVUE. Si usted no tiene una cuenta de ParentVUE, por favor comuníquese con su escuela para una clave de activación.
2. Seleccione la pestaña titulada “Student Info”.
3. Haga clic en el botón titulado “Edit Information”.
4. Seleccione “Yes” para decidir formar parte en las Notificaciones de Pesticidas.
5. Haga clic en “Save Changes.”
6. Repita estos pasos para cualquier otro alumno.

La única excepción al requisito de la notificación previa de 72 horas es una aplicación de pesticida necesaria para resolver situaciones de emergencia como enjambres de abejas y avispas.

El Distrito Escolar Unificado de Long Beach está comprometido a crear un ambiente educativo seguro y saludable para todos los alumnos, familias y miembros de personal.

Atentamente,

Sue Perkins
Coordinadora de Gestión Incorporada de Plagas
